Before the Board of County Commissioners
for Josephine County
STATE OF OREGON

In the Matter of Proclaiming the
Month of February 2018 as
Teen Dating Violence
Awareness Month

Whereas, Josephine County is committed to the well-being and protection of our youth, the safety of our communities, and to fostering a society based upon respect for one another – and where violence has no role; teen dating violence, and its various forms of control and abuse, is a serious crime that can continue into adulthood, with the potential to destroy lives; and

Whereas, teen dating violence involves physical, sexual, verbal, emotional, economic, or other abusive behavior – including harassment and cyberbullying via texting, “sexting,” emailing, instant messaging, or posting on social media – and is committed by a person intending to harm, threaten, intimidate, harass, control, isolate, or monitor another person with whom they have or have had a dating relationship; during early teenage dating experiences, new and complex emotions can result in a victim misinterpreting certain behaviors displayed by a dating partner – such as possessiveness and impulsive actions – as affection; and

Whereas, national studies on this issue indicate that approximately 1 in 3 adolescent girls experiences some form of interpersonal violence; nearly 1 in 10 teens report they were intentionally hit, slapped, or physically hurt by their boyfriend or girlfriend, and 62% of young teens – ages 11 to 14 years – report knowing friends who have been verbally abused by a boyfriend or girlfriend; and

Whereas, both Houses of the U.S. Congress have declared February as “National Teen Dating Violence Awareness and Prevention Month,” and Josephine County joins in this observance by encouraging statewide youth, families, schools, law enforcement communities, government agencies, elected officials, civic organizations, and other interested groups to show support for organizations and individuals that provide critical advocacy to victims and promote public awareness of teen dating violence.

Now, Therefore, Be It Resolved, that the Josephine County Board of Commissioners does hereby proclaim the Month of February 2018 as TEEN DATING VIOLENCE AWARENESS MONTH in Josephine County.

JOSEPHINE COUNTY
BOARD OF COMMISSIONERS

Daniel E. DeYoung, Chair

Lily N. Morgan, Vice-Chair

Simon G. Hare, Commissioner

Order No. 2018-005
SUBJECT: Marijuana Use and Marijuana-Themed Events on County Property

1.0 Purpose: To establish County-wide policy relating to the use of marijuana and marijuana products on County property, and to the hosting of events on County property when such events may involve marijuana or marijuana products, or their use, production, sale, packaging, or transfer.

2.0 General Policy: The Board of County Commissioners of Josephine County recognizes the importance of constitutional and statutory guarantees of freedom of speech, expression, and assembly. The Board emphasizes its commitment to the protection of those essential liberties. At the same time, the Board recognizes that the manufacture, possession, use, and transfer of marijuana and marijuana products are all illegal under federal law, and that the public consumption of marijuana and marijuana products remains illegal under Oregon state law. The Board recognizes that allowing persons to use marijuana on County property, which is public property, is essentially encouraging such persons to violate state and federal law. In the same way, allowing the use of County property for events at which marijuana is likely to be used, transferred, or packaged encourages persons attending such events to engage in those activities, which are illegal on public property. Because the Board is committed to protecting the health and safety of all citizens, as well as protecting essential liberties, the Board will decline to issue permits for any event on County property if the event involves any activities at which it appears to the Board that persons in attendance will likely use, transfer, or package marijuana or marijuana products.

3.0 Policy Guidelines/Procedures

a. Applications: All applications for events, mass gatherings, or other similar activities on County property will include an affirmative statement by the applicant that the event will not include any use, transfer or packaging of marijuana or marijuana products, and that the applicant will not encourage such activities at the event. The statement must be in this form: "I (We) certify to Josephine County that the event for which this application is filed will not involve the public use of marijuana or marijuana products. I (We) certify that the event promoters and performers will not advocate or encourage any persons present to use marijuana or marijuana products on County property..."
during the event. I (We) agree that this restriction does not constitute an infringement of any constitutionally or statutorily protected right or freedom. I (We) agree that the bond required by Josephine County for this event is reasonable and necessary and I (We) further agree that the bond will be forfeited to Josephine County if this restriction is violated.

b. **Bond:** All applications for such events will require a bond in an amount to be determined by the County Department Head reviewing the application, to ensure compliance with the requirement that no such activities will be allowed or encouraged. In no case will the bond be less than $500.

Every application will include an acknowledgement that if the restriction is violated, the County will retain the bond and may assess additional fees.

c. **Requirements:** Any application that does not comply with these requirements will be denied, and there will be no exceptions. It is the responsibility of the Department Head to review each application to ensure that all applications to use County property for events comply with these requirements.

Re: Josephine County Culvert Replacements  
OBEC Job No. P020-0033.00

Dear Mr. DeJanvier:

OBEC Consulting Engineers, Inc. is ready to assist Josephine County staff with evaluating, designing and permitting the replacement of the six (6) culverts listed below.

1. Cloverlawn Drive at MP 4.3  
2. Cloverlawn Drive at MP 4.5  
3. Winona Road at MP 2.3  
4. Bridge Lane at MP 1.4  
5. Murphy Creek Road at MP 3.3 (2 – 48” existing culverts)  
6. Jump Off Joe Creek Road at MP 0.5

After visiting each site in December of 2017, OBEC understands the site constraints and firsthand issues with each site. Each site will have different environmental permitting requirements, different hydraulic requirements, and different staging/closures that will be needed for construction.

Assumptions:
Josephine County staff shall complete all survey needs  
R/W acquisition is not anticipated or will be handled separately  
Josephine County will provide ADT and speed at each site  
Josephine County staff will complete advertising and bid opening(s)  
OBEC will put together up to two bid packages  
If any culvert needs to be lengthened more than 20%, a Corps/DSL permit will be necessary and will be added by addendum at the direction of the County.

Services not included:
Bridges or box culvert designs  
Geotechnical Studies  
Hazmat Studies  
Archeological or Historic resource analysis

Our proposed detailed scope of services for the design phase is as follows:
Task 1  Project Management and Coordination
The major objectives of this task are to schedule, coordinate, and supervise project work and to establish lines of communications between OBEC and County staff. OBEC shall keep the County project manager informed of the project work progress and aware of changes that may affect the project design, schedule, and related costs.

OBEC will be responsible for the following project management tasks:
- Schedule, coordinate, and supervise project work
- Maintain communications and coordination with County staff
- Monitor scope, schedule & budget for the project
- Produce monthly invoices and progress reports (assumed to be no more than twelve)
- Two review/team meetings by conference call.

Task 2  Environmental Documentation, Coordination and Permits

2.1  Accumulation of Information and Agency Coordination
Consultant shall:
- Obtain and review existing environmental information related to the Project sites and coordinate/communicate with project team and County to begin environmental tasks, verify schedule, and estimate impacts.
- Research existing information regarding environmental compliance for the project sites, review existing environmental regulations, and document design requirements necessary to comply with environmental and permitting requirements.
- Coordinate with resource agencies if needed to clarify requirements and exemptions

Deliverables
Consultant shall provide:
- Information obtained under this task will be included in the deliverable under Task 2.4

2.2  Wetland Determination Field Work
Consultant shall:
- Consultant shall complete a wetland field determination and OHWM demarcation for the Project areas.
- Use available data (including but not limited to: soil surveys, aerial photos, National/Local Wetland Inventory maps) as well as data gathered in the field to document the presence or absence of wetlands and waters.
- Determine wetland boundaries within the PSA in accordance with the criteria and methods described in the 1987 Corps of Engineers Wetland Delineation Manual (Environmental Laboratory Technical Report Y-87-1) and appropriate Regional Supplements.
- Place flags in the field to show wetland and upland sample plot locations, and the wetland boundaries. Label and number the flags to identify their function.
- Prepare sketch maps of approximate wetland boundaries with numbering of flags or stakes to be provided prior to site surveys for Project base mapping. Survey of all flags to be provided by the County.
- Ensure that field methods used and data collected meet the DSL technical requirements for wetland delineations and ordinary high water demarcations. Collect and record wetland delineation data on approved wetland determination data sheets for possible inclusion with a wetland delineation report.
- Place flags in the field to show the OHWM elevation of all jurisdictional surface waters. Assess the OHWM elevation using resource agency accepted field indicators. The two (2) year flood event elevation (calculated) may be used in the absence of field indicators.
- Prepare sketch map of approximate OHWM boundaries concurrently with the wetland and OHWM field work with sequential numbering of flags or stakes to be provided prior to site survey for Project base mapping. The sketch map must include scale and reference points such as distance from fence corner, road sign, etc. Survey to be provided by the County.

**Deliverables**
Consultant shall provide:
- Field flagging of the wetlands and waters boundaries for the six project areas.
- A sketch map of approximate wetland and waters boundaries to County.
- Results of wetland field work will be summarized in the deliverables under Task 2.4

2.3 **ODFW Fish Passage Plan**
Consultant shall:
- Coordinate with the local ODFW District Fish Biologist to describe the project and provide information relevant to fish passage.
- Determine the active channel width using ODFW and NMFS standards, and obtain concurrence of the active channel width from the ODFW District Biologist. Active channel width field measurements shall be completed during the wetland delineation field work under Task 2.2.
- Prepare six ODFW Fish Passage Plans (one for each culvert) using the stream simulation design method.
- Consultant shall submit the fish passage plans to ODFW for review and concurrence and incorporate fish passage requirements into plans and specifications.

It is assumed that the project will be designed to meet Oregon fish passage law.

- Six final fish passage plans to ODFW with copy to County.
• Submit the fish passage plan concurrence from ODFW to County upon receipt from ODFW.

2.4 Environmental Permitting Memorandum
Consultant shall:
• Draft a brief Environmental Permitting Memorandum documenting how these projects comply with environmental and permitting requirements.
• Include in the memo the applicable federal, state, and local environmental laws and permits that could be triggered by this project and document how the project meets those requirements.

One memo will be provided to cover all six project areas.

Deliverables
Consultant shall provide:
• Draft and final Environmental Permitting memorandum to County.

Task 3 Hydraulic Analysis
OBEC will perform a hydrologic analysis at each culvert site based upon the 25-year or 50-year design storms as recommended by the ODOT Hydraulic Manual. Lower design storms may be considered based on County approval, if site constraints prohibit passage of the recommended design storm. These flows will be used to perform a simplified hydraulic analysis utilizing Hydraflow or ODOT Hydraulic Manual design charts where feasible to determine the appropriate size for each culvert. The design will include designing culvert based on upstream hydrology, site constraints, end treatments and protection. The hydraulic analysis will be documented in a Hydraulic Memorandum.

Based on field observations, it is expected that each culvert size will be upsized.

Proposed culverts shall comply with Oregon Fish Passage Law and applicable programmatic conditions, as required by reviewing agencies.

Deliverables
Consultant shall provide:
• Hydraulic Memorandum to County

Task 4 Design Engineering
This task includes developing plans, specifications, and quantity and cost estimates (PS&E). OBEC shall prepare technical specifications for the plan sheets and bid items. Detailed quantity calculations shall be done for a cost estimate that includes bid item quantities for all of OBEC’s design work. OBEC shall ensure consistency between the plans, specifications, and estimate/bid items. The County will review the draft PS&E package and then Final PS&E documents will be submitted, addressing all of the County’s comments.

**Deliverables**

- Quality assurance (QA) review of plans, specifications, estimate, and constructability review by a senior engineer.
- Review of overall project PS&E for consistency.

**Deliverables**

Consultant shall provide:
- Documentation of reviews according to OBEC’s Quality Management Program.

**Task 6  Bidding Assistance**

**Task 6.1  Respond to Bidder Questions**

**Deliverables**

Consultant shall provide:
- Bidding Question Response Log.
Schedule:

OBEC is prepared to begin work immediately upon receipt of Notice to Proceed and will complete the PS&E package by summer of 2018.

OBEC will provide the services outlined above on a Time & Materials basis based on the attached Breakdown of Cost and 2018 rate sheet for an amount not to exceed of $140,108.

2. COMPENSATION.

2.1 METHOD OF PAYMENT FOR SERVICES.

2.1.1 Average Daily Population

County agrees to work with Agency to maintain an ADP, aggregated monthly, of the number of OYA BRS Clients in each program as follows:

<table>
<thead>
<tr>
<th>BRS Program</th>
<th>ADP</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exhibit A – BRS Basic Residential– Josephine County</td>
<td>3</td>
</tr>
<tr>
<td>Exhibit B - BRS Community Step-Down – Josephine County</td>
<td>Shared with ADP in Exhibit A</td>
</tr>
</tbody>
</table>
The parties recognize that in order to meet the contracted capacity, County may be required at times to serve more OYA BRS Clients than the ADP, up to the licensed capacity, in order to offset times when fewer OYA BRS Clients are served.

2.2 The total not to exceed amount available for payment to County is as follows:

<table>
<thead>
<tr>
<th>Section</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Section 2.2.1 Services</td>
<td>$346,557.15</td>
</tr>
<tr>
<td>Section 2.3 Authorized Reimbursement</td>
<td>$630.00</td>
</tr>
<tr>
<td>Total Not to Exceed Amount for this Agreement</td>
<td>$347,187.15</td>
</tr>
</tbody>
</table>

County understands and agrees that the amount paid under this Agreement may be reduced by OYA as a result of Legislative action or executive order. OYA will provide County with written notice of any such reduction and the Agreement will be amended to reflect that reduction. If County refuses to sign the amendment to the Agreement that reflects the reduction, County understands OYA may be forced to terminate the Agreement. Notwithstanding any other provision of this Agreement, this subsection takes precedence over all other provisions of this Agreement including all Exhibits.

2.2.1 As consideration for the services provided by the County under this Agreement, the Agency, subject to the provisions of ORS 293.462 (payment of overdue account charges) and the terms and conditions of this Agreement, will pay to the County by warrant(s) an amount not to exceed the amount for services specified in section 2.2.

a. Agency will pay County for Billable Care Days and Absent Days as provided in OAR 416-335-0090. Agency will pay County at the rates set forth in OAR 416-335-0090 Exhibit 1 for the BRS Type of Care and Placement Model listed in each Exhibit.

b. Other terms

i. If the County allocates any indirect costs to this Agreement, the County will make available to the Agency, upon request, a written cost allocation plan covering the handling and distribution of indirect costs. If all costs are direct costs to this Agreement, no cost allocation plan is required. In no event shall this subsection be construed to allow the County to require the Agency to pay any indirect costs allocation to this Agreement by County.

ii. If, as a result of County's neglect or misconduct, Agency terminates an OYA BRS Client's placement with County in accordance with this Agreement, the County shall not be entitled to any compensation under this Agreement with respect to such OYA BRS Client from and after the date of such termination.

2.2.2 BASIS OF PAYMENT FOR SERVICES.
Monthly progress payments for completed Services. Agency shall pay County monthly progress payments upon Agency’s approval of County’s invoice submitted to Agency for completed Services and delivered Goods, but only after Agency has determined that County has completed, and Agency has accepted the completed Services and Agency has accepted the delivered goods in accordance with section 1.3.

2.3 EXPENSE REIMBURSEMENT.

a. Agency will not reimburse County for any expenses under this Agreement except for a clothing allowance as follows:

i. County shall ensure that each OYA BRS Client has an adequate wardrobe as prescribed by the OYA Youth Sub-Care Clothing List/Authorization (Form YA 3070). At the start of each OYA BRS Client’s placement with County, County shall make an initial assessment of OYA BRS Client’s clothing and document the results on Form YA 3070. If there is a determined need for clothing based on the form YA 3070, County shall notify the OYA BRS Client’s JPPO that a clothing authorization is needed. After County’s request, the JPPO may approve a payment of $210.00 for each OYA BRS Client who is admitted to the County’s program to be applied for the purchase of clothing for the OYA BRS Client. The County shall maintain records and copies of receipts and invoices to document the purchase of the clothing for the OYA BRS Client, and shall permit OYA inspection of these documents upon request. The JPPO has the discretion to approve or disallow the County’s request for payment.

b. Total for Reimbursable Expenses. The total amount available to reimburse County for expenses authorized for reimbursement under this section 2.3 is specified in section 2.2 above.

2.4 GENERAL PAYMENT PROVISIONS.

a. Agency’s Payment. Agency shall pay County for Services performed and Goods delivered at the rates and prices specified in section 2. County shall look solely to Agency for payment of all amounts Agency owes to County. County shall not be compensated by any agency or department of State other than Agency for Services performed and Goods delivered.

b. (reserved)

c. Funds Available and Authorized; Payments. County understands and agrees that Agency’s payment of amounts under this Agreement is contingent on Agency receiving funding, appropriations, limitations, allotments or other expenditure authority at levels sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to make payments under this Agreement.
d. The County agrees that the rates charged to the Agency for services to OYA BRS Clients under this Agreement shall not exceed rates for comparable services to youth not covered by this Agreement.

e. County shall promptly remit to Agency any payment or reimbursement received by the County from a parent, or guardian, or any other personal entitlement received on behalf of any OYA BRS Client served under this Agreement.

2.5 INVOICES.

a. County will receive monthly, the Agency’s Invoice Estimate, which describes Services performed during the previous month and estimates payment for that Service. If County has not received an Invoice Estimate for Services provided in the previous month, County shall contact the Agreement Administrator for this Agreement. County shall work with OYA employees identified on the Invoice Estimate as primary worker for an OYA BRS Client to resolve any discrepancies regarding the invoice. Payment of any amount under this Agreement shall not constitute approval of the Services.

i. The Invoice Estimates shall be verified by the County and submitted to the Agency in accordance with the address on the invoice.

ii. Along with the verified invoice estimate, County shall also provide, in a format that meets the Agency’s approval, an attendance sheet that clearly identifies the status of each OYA BRS Client enrolled to the County for each calendar day in the billing period. The required statuses include the days present in the facility, the days on home visit, the days on transitional visits to another provider, and the days billed as Absent Days. Along with the attendance sheet, the County shall provide documentation showing the written authorization from the OYA BRS Client’s JPPO and the Community Resources Manager allowing the County to bill the Agency at an Absent Day rate for each calendar day listed as an Absent Day.

b. If payments to County by the Agency under this Agreement, or under any other Agreement between the County and the Agency, are made in error or are found by the Agency to be excessive under the terms of this Agreement or the other Agreement, the Agency, after giving written notification to the County, may withhold payments due to County under this Agreement in such amounts, and over such periods of time, as are deemed necessary by the Agency to recover the amount of the overpayment. This subsection 2.5.b shall survive expiration or earlier termination of this Agreement and be fully enforceable thereafter.

c. County must submit its final invoice to the Agency no later than 60 days after the termination or expiration date of this Agreement. The Agency shall be under no
obligation to pay for services not billed within 60 days after the termination or expiration date of this Agreement.

d. County certifies with each invoice and reporting form submitted to Agency that the materials, services, or expenses included in the invoice have been furnished, rendered or expended pursuant to the terms of this Agreement; that they are as stated in the Agreement and the County has not previously requested payment for the item(s) from the Agency.

2.6 Audits

a. As promptly as possible, but in no event later than 6 months after the end of each of the County’s fiscal years in which County provides any Services under this Agreement, County shall have an independent certified public accountant audit County for that fiscal year. County shall maintain a copy of each such audit in its files. The County shall provide a copy of the audit to the Agency upon the Agency’s request. If the audit shows that the County has failed to comply with the financial requirements of this Agreement in any material respect, Agency may, pursuant to section 3.13, terminate this Agreement.

b. County agrees to maintain processes and quality assurance procedures to monitor the operation of the service program required under this Agreement to ensure compliance with the state’s BRS program requirements as described in OAR 410-170-0000 through 410-170-0120. Agency, the Oregon Health Authority, federal officials, or any or all of the above, may periodically review, audit, or review and audit County’s program to ensure compliance with these BRS requirements. If such reviews, audits, or both, find lack of compliance with these requirements and, as a result, the federal government requires the State to repay Medicaid funds previously paid to the State as reimbursement for services delivered under this Agreement, County shall repay Agency an amount equal to the funds repaid to the federal government through reduction of future payments made under this Agreement. If this Agreement is terminated or expires following such review, audit, or review and audit, those funds will be immediately due and payable to Agency on the date of the termination or expiration. If the Agreement has already expired or been terminated at the time of the review, audit, or review and audit, those funds will be immediately due and payable to Agency.

c. In addition to audit provisions elsewhere in this Agreement, the Agency reserves the right to periodically audit and review the actual expenses of the County for the following purposes:

i. To document the relation between the established payments under this Agreement and the amounts spent by the County.
ii. To document that the amounts spent by the County are reasonable and necessary to assure quality service.

iii. To assure that the County's expenses are allowable in accordance with applicable Code of Federal Regulations (CFR) sections, including but not limited to 2 CFR Part 225 (OMB Circular A-87) or 2 CFR Part 230 (OMB Circular A-122) on Allowable Costs. In the event a periodic audit and review by the Agency shows that the County's expenses are not allowable under 2 CFR Part 225 or 2 CFR Part 230 on Allowable Costs in any material respect, Agency may terminate this Agreement.

3.6 FORCE MAJEURE.

Neither Agency nor County shall be responsible for any failure to perform or for any delay in the performance of any obligation under this Agreement caused by fire, riot, acts of God, terrorism, war, or any other cause which is beyond the breaching party’s reasonable control. County shall, however, make all reasonable efforts to remove or eliminate the cause of County’s delay or breach and shall, upon the cessation of the cause, continue performing under this Agreement. Agency may terminate this Agreement upon written notice to County after reasonably determining that the delay or breach will likely prevent successful performance of this Agreement.

3.7 RESERVED.

3.8 INDEPENDENT CONTRACTOR STATUS; RESPONSIBILITY FOR TAXES AND WITHHOLDING

a. County shall perform all Services as an independent contractor. The Agency reserves the right (i) to determine and modify the delivery schedule for the Work and (ii) to evaluate the quality of the Work Product, however, the Agency may not and will not control the means or manner of County’s performance. County is responsible for determining the appropriate means and manner of performing the Work.

b. If County is currently performing work for the State of Oregon or the federal government, County by signature to this Agreement, represents and warrants that: County’s Work to be performed under this Agreement creates no potential or actual conflict of interest as defined by ORS 244 and no statutes, rules or regulations of the state or federal agency for which County currently performs work would prohibit County’s Work under this Agreement.

c. The parties agree and acknowledge that their relationship is that of independent contracting parties and that County is not an "officer", "employee", or "agent" of the Agency, as those terms are used in ORS 30.265 or otherwise.

d. County shall be responsible for all federal or state taxes applicable to compensation or payments paid to County under this Agreement and, unless County is subject to backup withholding, Agency will not withhold from such compensation or payments.

3.9 CONTRIBUTION, DISPUTE RESOLUTION AND LIMITATION OF LIABILITIES

a. Contribution.

i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s liability with respect to the Third Party Claim.

ii. With respect to a Third Party Claim for which the State is jointly liable with the County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

iii. With respect to a Third Party Claim for which the County is jointly liable with the State (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand
and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

b. **Alternative Dispute Resolution.**

The parties should attempt in good faith to resolve any dispute arising out of this Agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

c. **Limitation of Liabilities.** EXCEPT FOR LIABILITY OF DAMAGES ARISING OUT OF OR RELATED TO SECTION 3.9.a.i, SECTION 3.9.a.ii, AND SECTION 3.9.a.iii, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY DAMAGES OF ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT OR ANY PART HEREOF IN ACCORDANCE WITH ITS TERMS.

3.10 **WORKER’S COMPENSATION.**

All employers, including County, that employ subject workers who work under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required Workers Compensation coverage, unless such employers are exempt under ORS 656.126. County shall ensure that each of its Subcontractors complies with these requirements.

3.11 **EVENTS OF BREACH.**

a. Breach by County. County breaches this Agreement if:

i. County institutes or has instituted against it insolvency, receivership or bankruptcy proceedings, makes an assignment for the benefit of creditors, or ceases doing business on a regular basis;

ii. County no longer holds a license or certificate that is required for County to perform its obligations under this Agreement and County has not obtained the license or certificate within fourteen (14) calendar days after Agency delivers notice of breach to County or a longer period as Agency may specify in the notice; or
iii. County commits any material breach of any covenant, warranty, obligation or certification under this Agreement, fails to perform its obligations under this Agreement within the time specified or any extension of that time, and County fails to cure the breach within fourteen (14) calendar days after Agency delivers notice of breach to County or a longer period as Agency may specify in the notice.

b. Breach by Agency. Agency breaches this Agreement if:

i. Agency fails to pay County any amount pursuant to the terms of this Agreement, and Agency fails to cure its failure to pay within fourteen (14) calendar days after County delivers notice of breach to Agency or a longer period as County may specify in the notice; or

ii. Agency commits any material breach of any covenant, warranty, or obligation under this Agreement, fails to perform its obligations hereunder within the time specified or any extension thereof, and Agency fails to cure the breach within fourteen (14) calendar days after County delivers notice of breach to Agency or a longer period as County may specify in the notice.

3.12 REMEDIES.

a. State's Remedies. If County is in breach under section 3.11.a, then in addition to the remedies afforded elsewhere in this Agreement, State shall be entitled to recover for any and all damages suffered as the result of County's breach of this Agreement, including but not limited to direct and indirect damages. State may, at Agency’s option, pursue any or all of the remedies available under this Agreement and at law or in equity, including, but not limited to:

i. Termination of this Agreement under section 3.13.b.i;

ii. Withholding payment of all amounts in County’s invoices for Services that County is obligated to but has failed to deliver or perform within any scheduled completion dates or has performed inadequately or defectively;

iii. Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief; or

iv. Exercise of the right of setoff, and withholding of amounts otherwise due and owing to County in an amount equal to State’s setoff right, without penalty.

These remedies are cumulative to the extent the remedies are not inconsistent, and State may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever. If it is determined for any reason that County was not in breach under section 3.11.a, the rights and obligations of the parties shall be the same as if this Agreement was terminated pursuant to section 3.13.b.i.

b. County's Remedies. If Agency terminates this Agreement for convenience under section 3.13.b.i, or if Agency is in breach under section 3.11.b and whether or not
County elects to exercise its right to terminate this Agreement under section 3.13.c, County's sole remedy is one of the following, as applicable:

i. For Services compensable on an hourly basis, a claim against Agency for unpaid invoices, hours worked but not yet invoiced, and authorized expenses for Services completed and accepted by Agency less any claims State has against County.

ii. For deliverable-based Services, a claim against Agency for the sum designated for completing the deliverable multiplied by the percentage of Services completed and accepted by Agency, less previous amounts paid and any claims State has against County.

If previous amounts paid to County for Services and Goods exceed the amount due to County under this section 3.12.b, County shall pay the excess amount to Agency immediately upon written demand.

c. Attorney's Fees. Except for defense costs and expenses pursuant to section 3.9, neither Agency nor County is entitled to recover attorney's fees, court and investigative costs, or any other fees or expenses associated with pursuing a remedy for damages arising out of or relating to this Agreement.

3.13 TERMINATION.

a. MUTUAL CONSENT. This Agreement may be terminated at any time by mutual written consent of the parties.

b. Agency:

i. Agency may, at its sole discretion, terminate this Agreement for its convenience upon 30 days written notice by Agency to County.

ii. Agency may, in its sole discretion, terminate this Agreement, immediately upon notice to County, or at a later date as Agency may establish in the notice, upon the occurrence of any of the following events:

   1. Agency fails to receive funding, appropriations, limitations, allotments or other expenditure authority at levels sufficient to pay for Services;

   2. Federal or state laws, regulations, or guidelines are modified or interpreted in a way that either the purchase of Services by Agency under this Agreement is prohibited, or Agency is prohibited from paying for Services from the planned funding source; or

   3. County is in breach under section 3.11.a.

   County shall stop performance under this Agreement as directed by Agency in any written notice of termination delivered to County under this section 3.13.b.

c. County: County may terminate this Agreement (i) for its convenience upon 90 days written notice by County to Agency or at such later date as County may establish in
the notice or (ii) upon 30 days written notice or at such later date as County may establish in the notice if Agency is in breach under section 3.11.b.

3.14 ACCESS TO RECORDS.

County shall retain, maintain, and keep accessible all records relevant to this Agreement ("Records") for minimum of six (6) years, or a longer period as may be required by applicable law, following Agreement termination or full performance, the period required by applicable law following Agreement termination or full performance, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever ending is later. County shall maintain all financial Records in accordance with generally accepted accounting principles. During this Record-retention period, County shall permit State, its duly authorized representatives, and the federal government access to the Records at reasonable times and places for purposes of examination and copying.

3.15 NOTICES.

All notices required under this Agreement shall be in writing and addressed to the party's authorized representative. For State, the authorized representative is the Agency Agreement Administrator identified in section 6. County's authorized representative is the contact person identified in section 6. Mailed notices are deemed received five (5) days after the post mark date when properly addressed and deposited prepaid into the U.S. postal service. Faxed notices are deemed received upon electronic confirmation of successful transmission to the designated fax number. Notices delivered by personal delivery are deemed received when delivered to the address specified for the receiving party's authorized representative. County shall make notices and other communications regarding OYA BRS Clients required to be made to Agency in a format and manner approved by Agency.

3.16 GOVERNING LAW.

The Agreement is governed by and construed in accordance with the laws of State, without regard to principles of conflicts of laws. To the extent not modified by the terms of this Agreement, the Uniform Commercial Code as codified in ORS Chapters 71 and 72 governs the Goods sold under this Agreement.

3.17 VENUE; CONSENT TO JURISDICTION.

Any claim, action, suit or proceeding (collectively, "Proceeding") between State and County that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of State for Marion County; provided, however, if a Proceeding must be brought in a federal forum, then unless otherwise
prohibited by law, it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. COUNTY HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF THESE COURTS AND WAIVES ANY OBJECTION TO VENUE IN THESE COURTS AND ANY CLAIM THAT THE FORUM IS AN INCONVENIENT FORUM. Nothing in these provisions shall be construed as a waiver of State's sovereign or governmental immunity, whether derived from the Eleventh Amendment to the United States Constitution or otherwise, or a waiver of any defenses to Proceedings or jurisdiction based thereon.

3.18 SUBCONTRACTS; ASSIGNMENT; SUCCESSORS.

a. SUBCONTRACTS. County shall not enter into any subcontracts for any of Services required under this Agreement without Agency’s prior written consent. With regard to any permitted subcontractors, County shall comply with Appendix 1, which by this reference is hereby incorporated into this Agreement. In addition to any other provisions Agency may require, County shall include in any permitted subcontract provisions to ensure that Agency will receive the benefit of subcontractor’s performance as if the subcontractor were County with respect to sections 1.3, 3.1, 3.2, 3.5, 3.14, 3.16, 3.18, and Appendix 1. Agency’s consent to any subcontract shall not relieve County of any of its duties or obligations under this Agreement.

i. In order for the County to receive approval to enter into subcontracts, the County shall submit to the Agency a copy of the boilerplate provisions used in any subcontracts entered into by County under this Agreement. If County substantively changes the boilerplate provisions used in subcontracts entered into by County under this Agreement, County shall provide the Agency with a copy of the amended boilerplate provisions within 30 days from the effective date of the changes to the boilerplate provisions. Agency’s failure to take any action based on any provision in such a subcontract shall not constitute a waiver by Agency of the right to enforce this or any other provision.

b. County shall not assign, delegate or transfer any of its rights or obligations under this Agreement without Agency’s prior written consent. Agency’s written consent does not relieve County of any obligations under this Agreement, and any assignee, transferee, or delegate is considered County’s agent.

c. The provisions of this Agreement are binding upon, and inure to the benefit the parties and their respective successors and permitted assigns, if any.

3.19 THIRD PARTY BENEFICIARIES.

State and County are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right not held by or made
generally available to the public, whether directly, indirectly or otherwise, to third persons unless the third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. Agency is an intended beneficiary of the terms of this Agreement.

3.20 SEVERABILITY.

If any provision of this Agreement is declared by a court of competent jurisdiction to be illegal or otherwise invalid, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular provision held to be invalid.

3.21 COUNTERPARTS.

This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

3.22 INTEGRATION AND MERGER.

This Agreement constitutes the entire agreement between the parties on the subject matter thereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement.

3.23 AMENDMENTS; WAIVER.

This Agreement may be amended to the extent permitted by the solicitation, if any, applicable statutes and administrative rules. No waiver, consent, or amendment of terms of this Agreement shall bind either party unless in writing and signed by Agency and County, and all necessary approvals have been obtained. Waivers and consents shall be effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision.

3.24 SURVIVAL.

In addition to all provisions which by their nature extend beyond Agreement termination or full performance, the following provisions shall remain in effect beyond any Agreement termination or full performance: sections 1.4, 2.4, 2.6, 3.1, 3.2, 3.9, 3.12, 3.14, 3.16, 3.17, 3.19, and 3.24.

4. INSURANCE. (RESERVED)

5. AGENCY INFORMATION SECURITY.
5.1 AGENCY INFORMATION ASSETS.

a. If Services performed or Goods delivered under this Agreement require County to have access to or use of any Agency computer system or other Agency Information Asset for which Agency imposes security requirements, County shall comply and require subcontractors to comply with the information security requirements imposed under this section. "Information Asset" means all confidential information in any form (e.g., written, verbal, oral or electronic) which Agency determines requires security measures, including confidential information created by Agency, gathered for Agency, or stored by Agency for external parties.

b. All requirements imposed on County under this section 5 shall also apply to its officers, employees, agents and subcontractors that have access to any Agency information computer system or other Agency Information Asset, and County shall include these requirements in any subcontract that may provide such access by a subcontractor, its officers, employees or agents to any Agency computer system or other Agency Information Asset. County shall:

i. Cooperate with Agency in identifying Information Assets that will be utilized in the performance of Services or for the delivery of Goods and applicable security measures that will be undertaken to protect the Information Assets, and provide updated information to Agency within fourteen (14) calendar days of the date such information changes for any reason;

ii. Implement security measures that reasonably and appropriately provide administrative, physical and technical safeguards that protect the confidentiality, integrity and availability of the Information Assets that it creates, receives, maintains or transmits on behalf of Agency. County’s security measures must be documented in writing and be available for review by Agency upon request. Agency’s review of the reasonableness of security measures, as well as County’s compliance with Agency’s assigned access control or security requirements, will take into account County’s physical, administrative, and technical capabilities related to security measures and the potential risk of unauthorized use or disclosure of Information Assets by County, its officers, employees, agents or subcontractors.

iii. Prevent any unauthorized access to or disclosure of Agency’s information systems and Information Assets.

iv. Take necessary actions to comply with Agency’s determinations of the level of access that may be granted, as well as changes in level of access, or suspension or termination of access as determined by Agency.
v. Keep any Agency assigned access control requirements such as identification of authorized user(s) and access control information in a secure location until access is terminated; monitor and securely maintain access by County and its agents or subcontractors in accordance with security requirements or access controls assigned by Agency; and make available to Agency, upon request, all information about County’s use or application of Agency access controlled computer systems or Information Assets.

vi. Report to Agency any privacy or security incidents by County, its officers, employees, agents or subcontractors that compromise, damage, or cause a loss of protection to Agency Information Assets. County shall report in the following manner:

1. Report to Agency in writing within five (5) business days of the date on which County becomes aware of such incident; and

2. Provide Agency the results of the incident assessment findings and resolution strategies.

County shall comply with Agency requests for corrective action concerning a privacy or security incident, and with laws requiring mitigation of harm caused by the unauthorized use or disclosure of confidential information, if any.

c. If Agency determines that County’s security measures or actions required under section 5.a are inadequate to address the security requirements of Agency, Agency will notify County. Agency and County may meet to discuss appropriate security measures or action. If security measures or corrective actions acceptable to Agency cannot be agreed upon, Agency may take such actions as it determines appropriate under the circumstances. Actions may include but are not limited to restricting access to computer systems or Information Assets, or Agency amending or terminating the Agreement.

d. Agency may request additional information from County related to security measures, and may change, suspend or terminate access to or use of an Agency computer system or Information Assets by County, its officers, employees, agents or subcontractors.

e. Wrongful use of Agency computer systems, wrongful use or disclosure of Information Assets by County, officers, its employees, agents or its subcontractors may cause the immediate suspension or revocation of any access granted through this Agreement, in the sole discretion of Agency. Agency may also pursue any other legal remedies provided under the law.

It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

2. **Subcontractor Insurance Requirements**

   **A. GENERAL.**

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Agency. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the County directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

Sample wording is “The Excess/Umbrella policy is excess over General Liability, Auto Liability, etc.”

C. ADDITIONAL INSURED. Coverage must be primary and non-contributory with any other insurance and self-insurance.
D. "TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of: (i) the contractor's completion and County's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and Agency may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If Agency approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

E. NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

F. CERTIFICATE(S) OF INSURANCE. County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.
AGENDA REQUEST FOR BOARD OF COMMISSIONERS

AGENDA TITLE: County Information Systems – Storage Area Network acquisition

Department/Contact Person (Include Title and Ext. #) John McCafferty – Technology Director
Presenter (Include Name and Title) John McCafferty

County IT created a Request for Proposals (attached) in December 2017. There were four responses. The winning bid is Xiologix, a vendor for Pure Storage Arrays. It scored highest (lowest 10 year carrying cost) in cost when comparing like technologies, and highest in hardware/software support of the scope of work required. Pure Storage scores very high in technology review charts and was highly rated by the references we obtained, including a review offered by a competing RFP submission.

Josephine County Investment Policy

I. Objectives:
The primary objectives of investment activities shall be safety, liquidity, and yield.

1. Safety: Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

   a. Credit Risk: Josephine County will minimize credit risk, the risk of loss due to the financial failure of the security issuer or backer, by:
      - Limiting exposure to poor credits and concentrating the investments in the safest types of securities.
      - Pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisors with which Josephine County will do business.
      - Diversifying the investment portfolio so that potential losses on individual securities will be minimized.
      - Actively monitoring the investment portfolio holdings for ratings changes, changing economic/market conditions, etc.

   b. Interest Rate Risk: Josephine County will minimize the risk that the market value of securities in the portfolio will fall due to changes in general interest rates, by:
      - Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
      - Investing operating funds primarily in shorter-term securities or short-term investment pools.
      - Diversifying the portfolio by maturity dates to mitigate the impact of reinvestment risk, i.e. “laddering” the maturity dates.

2. Liquidity: The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). A reasonable portion of the portfolio should be maintained in the Oregon Short-Term Fund and collateralized commercial bank interest bearing accounts which offer next-day liquidity. Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity).

3. Yield: The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The majority of the portfolio is limited to highly rated/low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities are generally held to maturity unless declining credit or liquidity needs warrant a pre-maturity sale.

Re-adopted February 7, 2018
II. Scope:

This policy applies to the investment of both short-term operating funds and long-term capital funds including bond proceeds and bond reserve funds. Funds held by trustees, and fiscal agents are excluded from these rules, however, all funds, including component unit funds, are subject to applicable statutes and regulations established by the State of Oregon and the federal government.

- Investments of employees' retirement funds, deferred compensation plans, and other funds are not covered by this policy.
- Funds include but are not limited to:
  - General Funds
  - Special Revenue Funds
  - Internal Service Funds
  - Capital Projects Funds
  - Enterprise Funds
  - Special District Funds
  - Debt Service Funds
  - Unsegregated Tax Funds
  - Trust & Agency Funds
  - Taxing Districts

A General Purpose Investment Portfolio will be the primary pool in which investments will be made. This portfolio may have a range of funds from a low of $32 million to a high of $80 million. Other special purpose investment pools may be established to conform to legal restrictions (e.g. bond covenants) or to recognize the longer term nature of some funds (e.g. capital projects). Interest earned on the general purpose portfolio will be allocated prorata to the participants in the pool based upon average daily balance.

III. Standards of Care:

1. **Prudence**: The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

   - Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

2. **Ethics and Conflicts of Interest**: Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees, officers and their families shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of Josephine County. Officers and employees shall, at all times, comply with the State of Oregon code of Government Ethics as set forth in ORS 244.

3. **Delegation of Authority**: Authority to manage the investment program is granted to the publicly elected County Treasurer, hereinafter referred to as investment officer, and derived from
the following: ORS 294.035 to 294.053, 294.125 to 294.145, and 294.810. The investment officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. No person may engage in an investment transaction without approval of the investment officer.

IV. Safekeeping and Custody, Delivery versus Payment:
All investments eligible for delivery purchased pursuant to this investment policy will be delivered versus payment by either book entry or physical delivery to a third party custodian. The custodian shall issue a safekeeping receipt to Josephine County listing the specific instrument, selling broker/dealer, issuer, coupon, maturity, CUSIP number, purchase or sale price, transaction date, and other pertinent information.

V. Accounting Method:
1. Accounting Standards:
   - Josephine County, Department of the Treasurer, shall comply with required legal provisions and Generally Accepted Accounting Principles (GAAP). The accounting principles are those contained in the pronouncements of authoritative bodies including, but not necessarily limited to, the American Institute of Certified Public Accountants (AICPA); the Financial Accounting Standards Board (FASB); and the Government Accounting Standards Board (GASB).
2. Investment Return:
   - Investment returns are calculated as total return, including interest earned, premiums, discounts and appreciation or depreciation of investment values. Investment return for purposes of benchmarking against performance indicators will be compared on a total portfolio basis.
3. Investment Costs:
   - Investments will be carried at par. Losses on the sale of investments will be recognized at time of sale. Premiums or discounts on securities will be amortized or accreted over the life of the securities.
4. Investment Fee:
   - Where allowable, an investment fee of .25% (1/4%) of portfolio par value may be deducted from interest earned and credited to the County General Fund each month. After deducting the investment fee, interest earnings will be credited as of the last day of each month to the funds from which the investment was made based on the average daily balance in the fund.

VI. Internal Controls:
The Treasurer is responsible for establishing and maintaining an adequate internal control structure designed to reasonably protect the assets of Josephine County from loss, theft or misuse. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived and (2) the valuations of costs and benefits require estimates and judgments by management.

Accordingly, the Treasurer shall establish a process for an annual independent review by an external auditor to assure compliance with policies and procedures. This audit will generally coincide with the annual external financial audit. The internal controls shall address the following points:
1. Control of collusion.
2. Separation of transaction authority from accounting and record keeping.

Re-adopted February 7, 2018
3. Custodial safekeeping.
4. Avoidance of physical delivery of securities whenever possible and address control requirements for physical delivery where necessary.
5. Clear delegation of authority to subordinate staff members.
6. Written confirmation of transactions for investments and wire transfers.
7. Development of a wire transfer agreement with the lead bank and third party custodian and implementation of the appropriate safeguards described in the GFOA Recommended Practice on "Electronic Transactions for State and Local Governments".
8. Compliance and oversight with investment parameters including diversification and maximum maturity.

VII. Reporting Requirements:

1. Reports to Governing Body:
   a. Monthly Report: The Josephine County Treasurer will provide a monthly report to the County Commissioners on or before the 10th of the succeeding month or the first business day thereafter:
      - Fulfilling the requirements of ORS 208.090 reporting:
        - The amount of cash on hand in the custody of the county treasurer;
        - The banks in which such funds are deposited, with the amounts so deposited in each;
        - The security furnished the county by each bank to cover such deposits (i.e. collateral certificate amount), and
        - The interest rates paid on such deposits.
      - Reporting on Investments, including:
        - Purchase Date
        - Maturity Date
        - Book Value
        - Rate of Return
        - Coupon Rate
        - Collateral, if required
   b. Quarterly Report: The Josephine County Treasurer will provide an additional quarterly report to the County Commissioners on or before the last day of the succeeding month, including:
      - Portfolio information included in the monthly report expanded to include market valuation ("mark-to-market"),
      - Statement of compliance with this Investment Policy,
      - Performance of the portfolio relative to benchmark(s),
      - Percentage of the total portfolio that each type of investment represents along with the percentages authorized in this policy,
      - Average weighted yield to maturity of portfolio on investments as compared to applicable benchmarks,
      - A listing of fund cash balances under the control of the Treasurer and transactions therein, and
      - Any narrative necessary for adequate clarification.
   c. Bi-Annual Reporting: In February and August of each year the Treasurer will report to the Board of County Commissioners in accordance with ORS 294.085. In addition to the information included in the written Quarterly Report, the Treasurer shall review the Quarterly Report with Board of County Commissioners in a regularly scheduled meeting.
2. **Management Reports:** The investment officer shall maintain up-to-date records of portfolio activity providing reports which are timely and available daily. A monthly report of investment activity is generated for management reporting purposes and as a permanent record.

**VIII. Investment Policy Adoption:**

This Investment Policy will be formally adopted by the Josephine County Board of Commissioners, and will be re-adopted annually even if there are no changes.

**IX. Qualified Financial Institutions:**

The Treasurer will maintain a list of all authorized Broker/Dealers and Financial Institutions authorized to provide investment services. To qualify for the list, they must be an approved security Broker/Dealer, selected by credit worthiness that is authorized to provide investment services in the State of Oregon.

- These may include "primary" dealers or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1 (uniform net capital rule). No public deposits shall be made except in a qualified public depository as established by the State of Oregon.
- All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the Treasurer with the following information:
  - Audited financial statement
  - Proof of National Association of Security Dealers certification
  - Proof of state registration
  - Completed Broker/Dealer Questionnaire
  - Certification of having read and understood the Josephine County Investment Policy
  - Certification of agreement to comply with Josephine County’s Investment Policy
- After due consideration and approval, the firm will be added to the list. The Treasurer will conduct an annual review of the financial condition and registration requirements of qualified Broker/Dealers. Preferably, firms shall have a local office and Registered Representative in Oregon. However, the County will not exclude Broker/Dealers located outside the state as long as they are licensed in Oregon and meet all other qualifications.
- An updated Broker/Dealer Questionnaire will be mailed to each firm annually, and should be completed and returned to the Treasurer’s office. Failure to complete the update questionnaire may lead to removal from the approved list.
- Additions or deletions to the list will be made at the Treasurer's discretion.

**X. Suitable and Authorized Investments**

The following investments will be permitted by this policy, ORS 294.035 and 294.810:

1. U.S. Treasury Obligation (bills, notes and bonds)
3. Banker’s Acceptances (BA’s) from qualified institutions
4. State of Oregon Investment Pool
5. Certificates of Deposits (CD’s) and interest bearing accounts
   (Subject to ORS 295 collateralization)
6. Repurchase Agreements
7. State and Local Government Securities

Reverse Repurchase Agreements and Securities Lending Agreements are not allowed under this policy.

Re-adopted February 7, 2018
XI. Portfolio Diversification

Diversification will be sought within the following guidelines with the purpose of reduction of overall portfolio risk while attaining market average rates of return. The investments shall be diversified by investment type, issuer and maturity. Before any transaction is concluded, to the extent practicable, the Treasurer shall solicit and document competitive bids and offers on comparable securities. When not practicable, the reasons should be similarly documented. Additionally, if reasonably unanticipated events cause the portfolio limits to be exceeded, the Treasurer will take steps necessary to correct the situation as soon as practicable. The Treasurer will document the occurrence and advise the Josephine County Board of Commissioners in the next monthly and quarterly investment report.

1. Diversification by Type and Issuer:

2. Diversification by Maturity:
Maturity limitations shall depend upon whether the funds being invested are considered short term or long term funds. All funds shall be considered short term except those reserved for capital projects (i.e., bond sale proceeds) and special assessment repayments being held for debt retirement.

a. Short Term Portfolio (maturity up to 3 years):
   - Investment maturity for operating funds shall be scheduled to coincide with projected cash flow needs and timed to comply with the following guidelines:
     - Maturity will be laddered to provide for interest rate fluctuations and to minimize investment interest rate risk. Careful monitoring of interest rate fluctuation will provide a basis for evaluating risk and return.
Due to fluctuations in the aggregate surplus funds balance, maximum percentages for a particular issuer, investment type or maturity may be exceeded at a point in time subsequent to the purchase of a particular security. Securities need not be liquidated to realign the portfolio; however, consideration should be given to this matter when future liquidations are made.

</tbody>
</table>

b. **Long Term Portfolio (Capital Projects and Special Assessment Repayments) maturities over 36 months and up to a maximum of 60 months:**

- Maturity scheduling shall be timed according to anticipated need. For example, investment of capital project funds shall be timed to meet projected contractor payments.
- Investment of prepaid assessment funds shall be tied to bond payment dates, after cash flow projections are made using a forecasting model which considers prepayment rate, delinquency rate, interest on bonds, and income on investments.
- The investments of bond proceeds are restricted under bond covenants that may be more restrictive than the investment parameters included in this policy. Bond proceeds shall be invested in accordance with the most restrictive parameters of this policy and the applicable bond covenants and tax laws.
- Investments in the long term portfolio will be limited to U.S. Treasury Securities or securities of U.S. Government Agencies and Instrumentalities.
- This investment policy has been submitted for review by the OSTF Board as specified above and in accordance with ORS 294.135(1)(a), debt service reserves may be invested to a maturity date not exceeding five years. Otherwise debt service reserves shall not be invested to a maturity date exceeding one year.
XII. Bids and Offers

Before any security purchase or sale is initiated, the Investment Officer shall first determine the appropriateness of seeking competitive bids or offers. Such factors to consider include where the securities are held, the size of the transaction, and the term to maturity. In the event competitive bids or offers are not sought, the decision to do so shall be documented. When required by tax laws or bond covenants competitive bids and offers shall always be sought for security purchases and sales of bond funds.

XIII. Collateralization:

All bank deposits shall be held in qualified Oregon depositories in accordance with ORS Chapter 295. Such deposits are designated cash management tools and not investments under this policy unless otherwise designated as such.

- Certificates of Deposit and Interest Bearing Bank Accounts opened for investment purposes are considered investments under this policy, and are collateralized by the Public Funds Collateralization Program as governed ORS Chapter 295.
- ORS 294.035 (k) requires repurchase agreement collateral to be limited in maturity to three years and priced according to percentages prescribed by written policy of the Oregon Investment Council or the Oregon Short-Term Fund Board. On March 12, 1996, the OSTF Board adopted the following margins:
  - US Treasury Securities: 102%
  - US Agency Discount and Coupon Securities: 102%
  - Mortgage Backed and other: 103%*
    *Limited to those securities described in ORS 294.035
- A signed Master Repurchase Agreement must be in place prior to execution of any repurchase agreement trade.

XIV. Performance Indicators:

The performance of the County’s portfolio shall be measured against the performance of the Oregon Local Government Investment Pool and the 90-day Treasury bill rate.

- It is the goal of the County to maintain an annualized yield that is not more than ½ percent (.5%) lower than the Oregon Local Government Investment Pool and is not less than ½ percent (.25%) higher than the 90 day Treasury Bill yield. The County may also benchmark against any other money market indices it deems appropriate.
- It is anticipated the portfolio should attain a benchmark average rate of return over time. Factors influencing performance deviations will be described by the investment officer in quarterly reports to the Josephine County Board of Commissioners.
XV. Additional Documents

The following documents are used in conjunction with this policy, and are available from the Treasurer’s office upon request:

REPORT AND RECOMMENDATION

TO: Board of County Commissioners
FROM: Robert Brandes, Public Works Director
RE: Federal Lands Access Program Grant
DATE: January 18, 2018

Josephine County Public Works has applied for, and received, a grant award from Western Federal Lands Access Program (FLAP), to complete a number of improvements on Galice Road. These improvements include the installation of nearly three miles of guardrail, improvement of turnout areas and removal of a de-commissioned weigh station.

The total project cost is estimated at $1,829,760, with JCPW’s local match share (10.27%) being a projected $187,916. The local share of this project will be largely in-kind work, with County forces undertaking the turn-out rehabilitation work and removal of the weigh station. This project will significantly improve the safety of Galice Road, which is heavily used for rafting, fishing, and many other commercial and private interests.

RECOMMENDATION: The BCC designate the Public Works Director as the Authorized Representative for the Federal Lands Access Program – Galice Guardrail Project on behalf of Josephine County Public Works.

State: OREGON

County(ies): Josephine County

Owner of Federal Lands to which the Project Provides Access: USFS – Rogue River-Siskiyou NF1 and BLM – Medford District

Entity with Title or Maintenance Responsibility for Facility: Josephine County (JOSEPHINE COUNTY)

Type of Work: The project is to include:

- Preliminary Engineering including environmental studies to support an environmental decision
- Construction Engineering / Contract Administration

- Repair and replace existing guardrail and end treatments with new guardrail

This Agreement does not obligate (commit to) the expenditure of Federal funds nor does it commit the parties to complete the project. Rather, this agreement sets forth the respective responsibilities as the project proceeds through the project development process and construction.

This agreement replaces Federal Lands Access Program Match Agreement dated: 06/20/17 between FHWA-WFL, and JOSEPHINE COUNTY.

Parties to this Agreement: Josephine County (JOSEPHINE COUNTY) and Federal Highway Administration, the Western Federal Lands Highway Division (FHWA-WFL).

The Program Decision Committee approved this project on 07/05/2017.
AGREED:

Josephine County  

Western Federal Lands Highway Division, FHWA-WFL

OR JOSEPH 2401(2) Galice Road Improvements  Page 2 of 33  January 29, 2018
A. **PURPOSE OF THIS AGREEMENT:**

This agreement documents the intent of the parties and sets forth the anticipated responsibilities of each party in the development, construction, and continued maintenance of the subject project. The purpose of the agreement is to identify and assign responsibilities for Project Development, Contract Advertisement, and Construction Administration as appropriate for this project, and to ensure continued maintenance of the facility for public use if improvements are made. The parties understand that any final decision as to design or construction will not be made until after the environmental analysis required under the National Environmental Policy Act (NEPA) is completed (this does not prevent the parties from assigning proposed design criteria to be studied in the NEPA process.) Any decision to proceed with the design and construction of the project will depend on the availability of appropriations at the time of obligation and other factors such as issues raised during the NEPA process, a natural disaster that changes the need for the project, a change in Congressional direction, or other relevant factors.

If Federal Lands Access Program (FLAP) funds are used for the development or construction of this project, the JOSEPHINE COUNTY agrees to provide a matching share equal to 10.27% of the total cost of the project, as detailed more fully in Section J below. When agency(cies) other than FHWA-WFL will be expending FLAP funds, the parties agree to execute a separate obligating document. No reimbursement will be made for expenses incurred prior to execution of the obligating document.

B. **AUTHORITY:**

This Agreement is entered into between the signatory parties pursuant to the provisions of 23 U.S.C. 204 and JOSEPHINE COUNTY authority.

C. **JURISDICTION AND MAINTENANCE COMMITMENT:**

JOSEPHINE COUNTY has jurisdictional authority to operate and maintain the existing facility and will operate and maintain the completed project at its expense.

D. **FEDERAL LAND MANAGEMENT AGENCY COORDINATION:**

JOSEPHINE COUNTY has coordinated project development with the USFS – Rogue River-Siskiyou NF and BLM – Medford District. The USFS – Rogue River-Siskiyou NF and BLM – Medford District support of the project is documented in the Project Proposal by endorsing the proposal.

Each party to this agreement who has a primary role in NEPA, design or construction should coordinate their activities with the USFS – Rogue River-Siskiyou NF and BLM – Medford District.
E. **PROJECT BACKGROUND / SCOPE:**

General:

The proposed project is along Galice Road, beginning at approximate Milepost (MP) 0.92 and ends at approximate MP 13.69. Galice Road is the primary seasonal connection between the I-5 corridor and the Southern Oregon Coast. The location of Galice Road within the project limits is in Township 35S, Range 6W, Sections 18, 19, & 20, Township 35S, Range 7W, Sections 4 thru 11, 13, & 14, Township 35S, Range 8W, Section 1, Township 34S, Range 8W, Sections 24, 25, & 36.

The existing guardrail along Galice Road is substandard, including improper end terminals and terminal sections, missing anchors and blocks, inadequate height, past impact damage, and post deterioration. In addition, there are locations along the roadway that have no guardrail or have significant gaps in guardrail protection. The average age of the existing guardrail is more than 30 years old. Additionally, there are several existing turnout locations that are eroded and potholed which causes ponding after rain events.

The project includes replacing existing guardrail to meet current safety standards, adding guardrail where appropriate which adds approximately 15,000 LNFT of additional guardrail, rehabilitation of three turnouts with aggregate, weigh station removal, and installation of trailhead information board.

F. **PROJECT BUDGET:**

This is the anticipated budget for the project based on information developed to date. Federal Lands Access Program funds in conjunction with matching funds provided by JOSEPHINE COUNTY will fund this project as detailed in Section K.

### K. MATCHING SHARE REQUIREMENTS:

The purpose of this section is to document the intent of JOSEPHINE COUNTY to meet its match requirement for the subject project as authorized under section 23 USC 201(b)(7)(B).
All FLAP expenditures associated with this project will need to be matched by a Non-Federal source, by other Federal funds other than those made available under Titles 23 and 49 of the United States Code, or by funds made available under 23 U.S.C. 202 and 203. The matching requirement under the FAST Act will be met by JOSEPHINE COUNTY.

JOSEPHINE COUNTY and other agencies have committed to the project. The forms of match shall be those consistent with the 'Federal-Aid Guidance Non-Federal Matching Requirements' and as approved by FHWA-WFL. In the state of OREGON, 10.27% of the total project cost.

This project is authorized to use a Tapered Match. Under this approach, the non-Federal match is imposed over the entire project rather than individual progress payments. Timing of all fund transfers are specified in the Funding Plan. Tapered Match is authorized because it will result in an earlier completion date.

Estimated costs and fiscal year (FY) for the funding are based on the best budgeting and scheduling information known at the time. The final match will be determined based on actual expenditures at the conclusion of project work. Matching cash funds in FHWA-WFL receipt may need to be supplemented, or returned, once actual expenditures are determined. As noted under Modifications, if costs increase over the amount within this agreement, FHWA-WFL will consult with the agency(ies) providing Match before granting approval.

Maintain all project records, including source documentation for all expenditures and in-kind contributions, for a period of three (3) years from the date of final acceptance. If any litigation claim, negotiation, or audit has been started before expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues that arise from it.

The following agencies have agreed to contribute the amounts shown which will reduce the federal share by the same amount. The Funding Plan is as follows:

M. CHANGES / AMENDMENTS / ADDENDUMS:

The agreement may be modified, amended, or have addendums added by mutual agreement of all parties. The change, amendment, or addendum must be in writing and executed by all of the parties.

The types of changes envisioned include, but are not limited to, changes that significantly impact scope, schedule, or budget; changes to the local match, either in type or responsibility; change that alter the level of effort or responsibilities of a party. The parties commit to consider suggested changes in good faith. Failure to reach agreement on changes may be cause for termination of this agreement.

A change in composition of the project team members does not require the agreement to be amended.

It is the responsibility of the project team members to recognize when changes are needed and to make timely notifications to their management in order to avoid project delivery delays.

N. ISSUE RESOLUTION PROCEDURES MATRIX:

Issues should be resolved at the lowest level possible. The issue should be clearly defined in writing and understood by all parties. Escalating to the next level can be requested by any party. When an issue is resolved, the decision will be communicated to all levels below.
O. TERMINATION:

This agreement may be terminated by mutual written consent of all parties. This agreement may also be terminated if either the NEPA process or funding availability requires a change and the parties are not able to agree to the change. Any termination of this agreement shall not prejudice any rights or obligations accrued to the parties prior to termination. If Federal access funds have been expended prior to termination, the party responsible for the match agrees to provide a match in the applicable percentage of the total amount expended on the project prior to the termination.

ATTACHMENT 1

2 CFR 200 Common Rule Requirements and other legal requirements
A. GENERAL TERMS AND CONDITIONS

Background. To promote accelerated and efficient delivery of projects that benefit Federal Land Management Agencies, the Secretary has exercised his discretion under 23 U.S.C. § 201(a) and § 204(a)(3) to apply Title 23 U.S.C. Chapter 1 requirements (Federal Aid requirements) to Federal Lands Access Projects delivered by State Departments of Transportation (DOTs) and local public agencies that are evaluated and certified by State DOTs to deliver Federal Aid projects. In instances where a local public agency is not certified to deliver Federal-aid projects and Federal Lands Access projects are delivered by the local public agency cooperatively with Federal Lands Highway Division office oversight, the government-wide Common Rule (2 CFR 200) will be applied. This cooperative relationship will enable the FLH to identify any federal law issues in cooperation with the local public agency which may arise in the project development and delivery process.

1. The Agreement provides funds on a reimbursable basis to the Servicing Agency for the project described in the Access Program Project Memorandum of Agreement.

2. The Government’s liability to make payments to the Servicing Agency under the Agreement is limited to those funds obligated by the Government under the Agreement as indicated herein and by any subsequent amendments agreed to in writing by all parties.

3. The Servicing Agency agrees to abide by and comply with all terms and conditions of the Agreement and to abide by, and comply with, all requirements of applicable law, including those specified in this Attachment, which are considered as an integral part of the Agreement.

4. In the case of any inconsistency or conflict between the specific provisions of the Agreement and this Attachment, such inconsistency or conflict shall be resolved by giving preference to the Agreement.

5. The Servicing Agency shall be responsible for ensuring that the Project is designed and/or constructed in accordance with the Agreement, and all applicable Federal laws, regulations and policies of the Federal Highway Administration ("FHWA" also referred to herein as the "Government").

6. Reimbursement of costs incurred pursuant to the Agreement will be made pursuant to and in accordance with 2 CFR Part 200 and the provisions of such regulations and procedures as the Government may prescribe. Determination of allowable costs incurred by the Servicing Agency under the Agreement shall be made in accordance with applicable government-wide cost principles under 2 CFR 200. Closeout of the Agreement shall be based upon a determination that all applicable administrative actions and all required work of the Agreement have been completed in accordance with 2 CFR Part 200. Upon the Government’s review of all financial, performance, and other reports required as a condition of the Agreement, the Government may make any upward or downward adjustments to the allowable costs in accordance with 2 CFR 200.

7. The Servicing Agency agrees to carry out and complete the Project without undue delays and in accordance with the terms of the Agreement, including the Project Schedule set out in the Agreement, or in the Access Program Project Memorandum of Agreement if no Schedule is included in this Agreement, and comply with such regulations and procedures as the Government may prescribe.

8. The Servicing Agency agrees to retain all documents relevant to the Project for a period of three years from completion of the Project and receipt of final reimbursement from the Government. The
Servicing Agency agrees to furnish the Government, upon request, all documents and records pertaining to the Project.

9. The Government is subject to the Freedom of Information Act (FOIA). The Servicing Agency should therefore be aware that all materials submitted by the Servicing Agency related to the Agreement will become agency records and thus are subject to FOIA and to public release through individual FOIA requests.

10. The Government shall not be responsible or liable for any damage to property or any injury to persons that may arise from, or be incident to, performance or compliance with this the Servicing Agency’s work under the Agreement. The Government will be responsible for damages or injuries caused by the negligence of its own employees, to the extent permitted under the Federal Tort Claims Act, 28 U.S.C. 2671-2680.

11. To the extent that the State has not already enacted legislation regarding texting while driving, the Government encourages the Servicing Agency to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies that bar text messaging while driving company-owned or rented vehicles, or government-owned, leased, or rented vehicles or privately-owned vehicles when on official government business or when performing any work for or on behalf of the Government. See Executive Order 13513 “Federal Leadership on Reducing Text Messaging While Driving”, Oct. 1, 2009 (available at http://edocket.access.gpo.gov/2009/F9-24203.htm) and DOT Order 3902.10 “Text Messaging While Driving”, Dec. 30, 2009, as implemented by Financial Assistance Policy Letter (No. FAP-2010-01, Feb. 2, 2010, available at http://www.dot.gov/sites/dot.dev/files/docs/FAPL_2010-01.pdf) This includes, but is not limited to, the Servicing Agency:

   a. considering new rules and programs or re-evaluating existing programs to prohibit text messaging while driving;
   b. conducting education, awareness, and other outreach for employees about the safety risks associated with texting while driving; and
   c. encouraging voluntary compliance with the agency’s text messaging policy while off duty.

The Servicing Agency is encouraged to insert the substance of this clause in all contracts and subcontracts.

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR Part 21 (entitled Non-discrimination In Federally-Assisted Programs Of The Department Of Transportation—Effectuation Of Title VI Of The Civil Rights Act Of 1964);
- 28 CFR section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

General Assurances
In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Servicing Agency hereby gives assurance that it will promptly take any measures necessary to ensure that:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity," for which the Recipient receives Federal financial assistance from DOT, including the FHWA.

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Servicing Agency, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Servicing Agency agrees with and gives the following Assurances with respect to its receipt of funds for this project:

1. The Servicing Agency agrees that each "activity," "facility," or "program," as defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.

2. The Servicing Agency will insert the following notification in all solicitations for bids and requests for proposals for work or materials, regardless of funding source:

   a. "The Servicing Agency, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

3. The Servicing Agency will insert the clauses of Appendix A of this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The Servicing Agency will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Servicing Agency receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.

6. That where the Servicing Agency receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

7. That the Servicing Agency will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Servicing Agency with other parties:

   a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and

   b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the Servicing Agency or any transferee for the longer of the following periods:

   a. the period during which the property is used for a purpose for which the Federal funds were extended, or for another purpose involving the provision of similar services or benefits; or

   b. the period during which the Servicing Agency retains ownership or possession of the property.

9. The Servicing Agency will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other parties funded in whole or part from the funds provided under this Agreement will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Servicing Agency agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing the Agreement, the Servicing Agency also agrees to comply (and require any sub-recipients, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the FHWA's access to records, accounts, documents, information, facilities, and staff. The Servicing Agency also recognizes that it must comply with any program or compliance reviews, and/or complaint investigations conducted by the FHWA. The Servicing Agency must keep records, reports, and submit the material for review upon request to FHWA, or its designee in a timely, complete, and accurate way.
Additionally, the Servicing Agency must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Servicing Agency gives this ASSURANCE in consideration of and for obtaining any Federal funds, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation. This ASSURANCE is binding on the Servicing Agency, contractors, subcontractors and their subcontractors’, transferees, successors in interest, and any other participants in the funds provided under this Agreement.

The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor’s obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Servicing Agency or the FHWA to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Servicing Agency or the FHWA, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Servicing Agency will impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

   a. withholding payments to the contractor under the contract until the contractor complies; and/or
   b. cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Servicing Agency or the FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Servicing Agency to enter into any litigation to protect the interests of the Servicing Agency. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

By entering into this Agreement the Servicing Agency is providing the assurances and certifications for First Tier Participants and Lower Tier Participants as set out below.

1. Instructions for Certification – First Tier Participants:

a. The prospective first tier participant is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default.

d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
